General inventory

The general inventory takes place on Saturday, 16 January 2027 and is mandatory for warehouse staff. Administrative staff may be called in for counting and reconciliation tasks; the call-up is communicated 10 days in advance. No goods are dispatched during the day, except for urgent cases authorized by Operations.

Internal holidays

12 November is a paid internal holiday for all staff. National holidays follow the official calendar; when customer service requires working on a national holiday, Operations publishes the on-call roster at least 7 days in advance.

Questions

Questions about the calendar are handled by HR or by the shift supervisor of each warehouse.
