Discount Policy

Andino Logística S.A. | Document V03 | Date: 2026-03-10

Authorization scale

Sales representatives may grant up to an 8% discount on the list rate. Between 8% and 15% requires authorization from the sales manager. The maximum discount is 15% and additionally requires management's signature.

Discount on list rate	Who authorizes it
Up to 8%	Sales representative
Between 8% and 15%	Sales manager
15% (maximum)	Sales manager and management's signature

Volume discounts

Volume discounts are negotiated only in annual contracts. Volume discounts are not granted on one-off services or urgent orders.

Recording

Every discount granted is recorded in the CRM together with the proposal, stating the percentage and who authorized it. Discounts that do not appear in the CRM are not invoiced.

Prohibitions

- Verbal discounts and price commitments outside a recorded proposal are not granted.
- Discounts of different kinds are not stacked to exceed the permitted maximum.
- A service is not split into several proposals to avoid the authorization scale.
